

and your loved ones, experience eternal happiness and joy, and find love that will never leave you, I can grant you those wishes! All you have to do is ask Me. If you really want to know Me; if you really want to know answers to the deep things of life; if you know you haven't found what you're looking for and you know you haven't experienced peace of mind that lasts, then simply reach out your hand to Me, and I won't let you down.

I wanted this life to be a manifestation to you of the love I feel for you. Just reach out your hand to Me and let Me take it and show My love to you, each day of your life. Ask Me to come and be with you, and I will. Ask Me to help you, and I will. All you have to do is call Me by name, and I'll be there. I love you!

Everyone experiences joy in their life; and everyone experiences heartaches and sorrow. The proportion of each is different for each individual, but I can assure you that the portions are measured out with great care, and each receives his or her correct allotment.

Why am I telling you this? Why did I stop you and interrupt your day? I did so because I love you! I know you. When I made you, I knew just what you would like, what would be special to you and how to best please you. I understand and see the heart of every man and woman. I ask you these simple questions because I know these are thoughts that you have had at some time. It may be that these questions are still unanswered, and it's very likely that you would have more questions if you stopped and thought about life more.

I stopped you today to tell you that I am the Answer to your questions, I am the An-

swer to your problems, and I am the Answer to your heartaches and sorrows.

You see, I have known you all your life, and I love you so much that I gave My life for you. I understand your joy and your happiness. I understand your desires, your passions, and your ambitions in life. I understand your heartaches, your sorrows, and your disappointments. I want to be there to share your joy and to comfort you in your sorrow. I love you so much that I want to be by your side at all times, and I want you to live with Me for all eternity.

If you want a Friend who knows everything about you, even the secrets of your heart, you can have Me! If you want Someone to turn to in your heartaches, in your sorrow, and in your despair, when you feel no one else could possibly know what you're feeling or experiencing, I'll be there!—If you want Me.

If you want to spend eternity with Me
